RENOVATED, FREESTANDING LIVING

For those wanting more than a compact villa and courtyard, this renovated three-bedroom home offers something increasingly appealing – a freestanding home with genuine space around you. Set across 416m², there is room to live comfortably inside, entertain outdoors and still enjoy a proper backyard of your own.

The established exterior gives way to a bright, refreshed interior, where the home's original proportions have been brought forward with thoughtful updates. Separate living and dining areas provide plenty of everyday flexibility, while the renovated kitchen creates a clean, functional centrepiece with excellent storage, generous work surfaces and an easy connection to the outdoor entertaining area.
