Private Courtyard and Broadwater Convenience

Offering a sunny courtyard, two good-sized bedrooms and a central Southport address, Unit 5 is an easy home to enjoy and a smart property to consider.

One of just seven residences in the complex, this two-storey townhouse gives you the living space you want without the ongoing work of a larger home. Downstairs, the open-plan kitchen, living and dining area flows through to the north-facing courtyard. This is a great outdoor space for a morning coffee, relaxed afternoons or your four-legged friend.

The two bedrooms are upstairs and include built-in robes. The bathroom and separate toilet are also on this level, while a dedicated carport is conveniently located at the front of the property.
