Prime Kurrimine Beachfront – Business or Lifestyle

Opportunities like this don't come up often in Kurrimine Beach – a commercialzoned beachfront property sitting directly on the beachfront, offering exceptional flexibility for business owners, investors, and lifestyle buyers. Previously operated as a local café, the building retains its commercial layout and infrastructure, making it ideal for reopening as a food and beverage venue or launching a new coastal enterprise. With council approval, buyers may also explore converting the space into a beachfront dwelling, creating a truly unique coastal lifestyle home or holiday let.

Set in one of Far North Queensland's most relaxed seaside communities, this property delivers unbeatable outlooks, cooling sea breezes, and a location that captures both
