FREESTANDING LIVING WITH ROOM TO BREATHE

Offering the privacy and independence of a freestanding home without the upkeep of a demanding block, this three-bedroom residence makes excellent use of its corner allotment. Behind its screened street frontage, there is considerably more space to enjoy than its easy-care footprint might suggest.

The expansive open-plan living and dining area gives the home its real sense of scale, with plenty of natural light, room to spread out and an easy connection to the outdoors. A refreshed kitchen anchors the space with ample bench space, while a distinctive sliding barn door allows the bedroom wing to be separated from the everyday living areas.

The bedrooms continue the home's bright, clean
