Daniella Sparta Presents:

Space to live. Space to breathe. Space for everyone! Some homes look good in photos. Others just feel good the minute you walk through the door. 8 Chobham Way is one of those homes.

This is a home built around lifestyle, family and having enough space for everyone to live their own version of it. Slow mornings with coffee on the front deck while the kids play at the park directly opposite. Evenings out the front around the fire pit area while the neighbourhood winds down. Busy days working from the dedicated home office. Summer afternoons around the pool that turn into dinners with friends. Big family celebrations that somehow end up in the games room. Quiet winter nights curled up with a book in front of the fire.
