The Complete Family Package - More photos

Beyond the gorgeous Federation-inspired façade, set on a 692sqm (aprx) block, this Dale Alcock family home offers impressive proportions, the separation busy families need, and inviting spaces to come together. The expansive front wing includes multiple sitting areas, an enclosed study, and a generous master suite, with French doors, high ceilings, stained-glass entry, and a gas fireplace that add to the sense of grandeur that sets this home apart. And that's only the front wing!

As you move through the home, the space keeps unfolding, with a spacious open plan kitchen, dining and living area flowing out to the impressive alfresco. It's easy to picture summer evenings spent with family and friends, with a built-in barbecue, looking over the sparkling below
