A Resort Style Family Haven With Unforgettable WOW

Some homes make you stop in your tracks. Some homes feel like a reward for all the years you've worked hard. And some homes-like this one-become the place where everyone wants to gather.

Welcome to a breath-taking In Vogue, ex Telethon Home, set on over 1,000 sqm of beautifully curated land.

Extensively upgraded and transformed into a private resort, this home is designed for families who love to entertain, celebrate, and live life fully. Every corner has been thoughtfully crafted for comfort, connection, and pure enjoyment.

The moment you step inside, the scale and luxury are undeniable. With a grand two-storey layout, multiple living zones, and a backyard that feels like a holiday
