Renovated Unit with Private Front Yard

Freshly renovated and ready to move straight into, this ground-floor unit combines a bright, modern finish with the easy-care lifestyle of a low-set brick block. With its own fenced front yard and a sunny patio, it feels more like a little home than a unit.

The open living and dining area is filled with natural light through sliding doors to the tiled front patio. Polished hardwood floors, fresh paint and LED downlights run throughout, and a split-system air conditioner keeps things comfortable all year round.

The new kitchen is a real highlight, with crisp white cabinetry, timber-look benchtops, an electric oven and cooktop, a stainless steel rangehood, subway tile splashback and plantation shutters. A rear door opens
