## Modern & Move in Ready

Beautifully updated with modern finishes throughout, this home offers far more space than its three-bedroom, one-bathroom layout might suggest, with multiple living areas flowing to a large entertaining patio, a generous powered workshop, plus plenty of lawn for kids and pets, all framed by landscaped gardens, creating an impressive place to call home.

The recently renovated kitchen offers plenty of drawer space, overhead storage, and a built-in pantry, while the stylish bathroom features floor-to-ceiling tiles, a floating vanity, a frameless shower, and matte black fittings. With all the hard work done, you can move straight in and enjoy, with plenty of extra features below adding to the appeal.
