4-Bedroom Family Home with Workshop

This home boasts four generously sized bedrooms, including a master suite at the front of the home, complete with a walk-in wardrobe (WIR) and ensuite. The fourth bedroom has been thoughtfully converted into a separate lounge room, offering flexibility for a growing family or providing a cozy retreat for relaxation. With two bathrooms, the home ensures ample convenience for family living. The open-plan living and dining area flows seamlessly into the well-appointed kitchen, featuring a breakfast bar and a stove-top oven, making it the ideal space for cooking and entertaining. For year-round comfort, the home is equipped with evaporative air conditioning to stay cool in the summer, gas heating for warmth in winter, and ceiling fans in all
