Immaculately Kept Henley Family Home with Theatre,

Welcome to 3 Longfield Way, a home that has been genuinely loved and immaculately kept. With approximately 32 squares of Henley Homes design on a generous block, it gives a growing family room to spread out, entertain and settle in for the long term.

The Black Galaxy Granite entry makes a strong first impression. Upgraded floor to ceiling timber framed windows fill the home with natural light, and motorised shutters throughout let you control privacy, security and temperature at the touch of a button.

Inside are four large bedrooms plus a dedicated study, including a main bedroom with its own ensuite and walk in robe. A separate theatre room for movie nights and open family and dining areas sit at the heart of the home.
