Big Space, Big Potential!

Tucked away in a quiet pocket of High Wycombe, this great sized 1989 built home offers an impressive 150m² (aprx) of internal living on a spacious 700m² (aprx) block, all within easy reach of local parks and the High Wycombe Train Station.

Boasting 3 bedrooms, all with split A/C's, 1 recently renovated bathroom and two separate living zones. Throw in a huge back yard and you'll find there's plenty of room for the family to spread out!

A favourite feature of mine that's hard to find in most homes around our area, is the king-sized master suite incorporating a very cool walk-through His & Hers wardrobe that leads to the beautifully renovated semi-ensuite bathroom. Love it!
