Private, Practical & Perfectly

There's a lot to like about this three-bedroom unit - starting with its position.

Set at the rear of the complex with parkland behind, it offers a little more privacy, a little less hustle and a leafy outlook that gives the home a surprisingly spacious feel. Inside, the layout is simple, functional and easy to live in. The open-plan living and dining area is generous in size and air-conditioned, with direct access to the covered balcony and plenty of natural light throughout. The kitchen sits at the centre of the home and comes equipped with everything you need, including a dishwasher, electric cooking, pantry and ample cupboard and bench space.

All three bedrooms feature built-in wardrobes and ceiling
