No Fuss, No Frills, Just a Whole

Not every home needs to be fancy to win you over. Sometimes it's the simple things that make all the difference - a good kitchen, timber floors, a comfortable place to put your feet up and a backyard to enjoy.
And this one has all of those!
Step inside and you'll find timber floorboards throughout, adding warmth and character to the home.
The kitchen is definitely worth a mention, offering generous bench space, plenty of cupboards and a dishwasher. Whether you're cooking up a storm or just reheating last night's leftovers, it's got you covered!
The combined lounge and dining area keeps things simple and practical, with split-system air conditioning to help keep everyone comfortable.
