Stunning parkland views at

Imagine opening your front door to green, leafy parkland every single day. This lovely family home sits directly opposite stunning parklands, on a tucked-away street away from the main road traffic. Morning coffee with a view? Tick.
At the heart of the home, a light and bright open plan family living room flows into a lovely galley kitchen with a built-in pantry and dishwasher. It's an easy space for cooking, chatting and keeping an eye on everything going on. There's also a separate home theatre or lounge with a view out to the park, so whether it's movie night or a quiet afternoon with a book, there's a spot for it.
The master suite has a walk-in robe and its own view to the park, which is a pretty special way to start and finish
