LIVE ON A PARK ON ALMOST

How good is this fantastic location, adjoining parkland with large shady trees that also bring a variety of bird life, it really does offer peace & tranquillity here, so you will be sure to spend a lot of time sitting out under the large timber decked gabled patio taking in such a delightful open aspect with family & friends :)
Tucked away at the end of a quiet cul de sac, super close to the beach in an ideal pocket of original Two Rocks, positioned on a BIG block almost nudging 900m2's in size, so you can forget about living on one of those small blocks they develop these days, where you are jammed up against the next house, as no 19 is a generous distance from neighbour's being a real plus from both privacy & a lifestyle point of view.
