BRING YOUR BOOTS. THIS

If you've been looking for a project you can get stuck into, this one will keep you busy. This Bellevue home will open possibilities to create a home that you want and in the style that you want!
The owners haven't been able to clear it out, so expect to see it in its current condition when you inspect.
The first job is a big clear out. After that, the makeover is yours to plan. If you're handy, have tradies, or have tackled a renovation before, come through and see what you'd do with it. Bring your tape measure and your imagination.
