3 2 1

Light-Filled, Private Single-

Set back from a leafy street at the rear of a boutique development of just two homes, this three-bedroom residence offers privacy and the ease of single-level living. High ceilings and warm timber flooring give the interiors a spacious feel, while skylights bring natural light into the kitchen, living area and bathroom, even on overcast days.

Piano-gloss panelled doors, finely profiled door surrounds and decorative cornices that follow the contours of walls and alcoves give the interiors a classic character. Pale marble vanity benchtops with subtle natural veining complement the warm-toned bathroom wall tiles.

Each of the three bedrooms has its own door and window, and the main bedroom's ensuite also has its own window.
