THE SANCTUARY

Properties in the Beautiful Bickley Valley are always well sought after.
Finding the right mix of location, privacy, facilities & usable land can be a real challenge.
Challenge accepted.
20 Dodd Road is set on over six hectares (just under 15 acres) of ancient forest featuring literally hundreds of grass trees, four Moreton Bay Figs, a fruit salad of edible fruit trees and a host of native shrubs & trees planted specifically to feed the wildlife - all overlooking The Bickley Valley. The current owners have spent in excess of $20K on an extensive remote controlled six station reticulation system from the connected mains water supply - a rarity in itself in this location.
