Ideal Location

Set on an elevated 1012m2 block in a good residential area. The home is hardiplank exterior with gyp rock interior and zinalum roof.

The inside of the home has four bedrooms with the master having built in robes. When you enter through a fly screen door you walk into an entrance way that is enclosed, from this entrance way is the front door which enters into the lounge room which has a slow combustion wood fire and ceiling fan. From the lounge you walk into the kitchen dining area. The kitchen is open with plenty of cupboard space. The dining room has a ceiling fan and glass sliding door that gives access to the carport.

A central passage runs of the dining room and leads to the bathroom which has a shower, vanity and built in linen cupboards. The four bedrooms lead of the passage along with the laundry that has the toilet
