Plenty of Storage

This property is being sold as two lots. Both lots have separate titles and are 1457m² each. One of the blocks has a large 388m² shed which is split into two large sections with three smaller rooms. The two large storage areas have sliding doors that allows storage of a boat, caravan and a era of vehicles. A toilet is located behind the shed. The other block adjoins this property and is an ideal building block with plenty of space for the home and the storage of the large shed next door.
