The owners of this beautifully presented house and garden have transferred overseas and are offering their much enjoyed family home for sale; we suggest that you make your move before they change their mind! This property offers attractive outdoor relaxing and entertaining areas.

The salt-water, in-ground swimming pool is thoughtfully integrated into the level, landscaped gardens; the al-fresco BBQ patio is adjacent to the kitchen and dining rooms, linking the house to the pool area. A feature of this home is the large master bedroom and parent's retreat; this stretches the full width of the house and has its own private balcony with views over the pool, gardens and Great Dividing Range; plus large ensuite bathroom with spa bath.
