Great Starter

Are you in the market for your first home or a home with room to move? Then this three bedroom home is ideal. When you walk in the front door you enter a small tiled entrance way that leads into the formal lounge room. Off the lounge room is a large dining area with polished floor boards. The kitchen is centrally located with space for a small dinig table. From the kitchen you enter the laundry which leads to the bathroom which has a shower and toilet with a second toilet located outside under the back veranda. The back yard is fenced with a seperate building that could be used as a games room. Set on nearly an acre of land there is plenty of room to move.
