Distinctively Designed with a Commanding Position

Perched high on the hillside this ultra stylish home is perfectly designed to take advantage of open plan living, natural light and cooling breezes. Strikingly different yet still so practical you'll love the open space of the kitchen, living and dining rooms which all flow seamlessly to one of two timber decks, the first offering a gorgeous panoramic vista over much of the suburb and the rear deck just ideal for more intimate gatherings where you can relax and entertain family and friends in absolute privacy.

Polished timber floors feature throughout the living level and beautifully compliment the spacious timber kitchen complete with island bench breakfast bar and heaps of cupboard space. One of the 4 bedrooms is also located on this level making it just perfect for a teenager or ideal guest room.
