### PRIVATE JETTY

Much loved family home built in the 1960's with spectacular river views from your own private jetty.

This home is very clean and well presented and you could move straight in, or you could renovate and add on to the existing house (which is above the flood plain). Your ideal dream home could be built in this dream location.

Away from the busy North Road, you will love the seclusion of the cul-de-sac location. Close to transport, shops and schools.
