SPARKLING LIGHTS OF THE CITY

Just the BEST VIEWS OF THE CITY, and that's not all, because not only should you imagine you sitting back, relaxing and taking in the fabulous lights of Perth City but also watch the planes landing; Without the noise. And then there is also the weather rolling in, the Skyshow and the natural Skyshow when God puts on his show. This is a property on 2 1/2 acre's of land, which has been left in its natural state, to ensure a lifestyle with a difference; Easy care with peace, serenity, views and lifestyle. You will not only be able to escape the real world, live in peace and quiet in a rural setting AND enjoy these fantastic views but also be just 30 minutes from the city and 15 minutes to both Airports and close to all major arterial highways. But there's more, because on this acreage is a fabulous 3 bedroom 2 bathroom home built by Master Builder Burke & Gaynor. The home has been built with lots of glass to ensure maximum exposure to the views and features a floor-plan with a difference with a large formal and dining area and then big kitchen adjacent to the family room, study & activity room. Your comfort will be catered for by the air conditioning and open fireplace.

This property offers a contradiction of terms; an elevated serene acreage lifestyle, yet a convenient location, a short time to all conveniences. And then fantastic views from a quality built home. A property with a difference, a property you should see. For your inspection call Kip 0416 291 413 or Russel 0416 291 413
