SENSATIONAL STARTER

Although in need of a facelift the price is right and the possibilities are endless for someone to transform this original family home into something special.

With a spacious lounge, front sunroom, eat-in kitchen, 3 good size bedrooms. All this place needs is a new owner with some imagination and creative flair.

As you take a look around this genuine old home the old phrase they don't build them like this anymore comes to mind, a great blank canvas, rock solid and an ideal starter for any astute first home buyer not afraid to tackle some cosmetic improvements.

With a prime location only a short stroll to most amenities including shops, schools, park, bus and rail this is convenience at its very best. So the question is how quickly can you get here?
