LOW TO MID \$200,000'S

Live the Old Eastside life!

Located within walking distance to town and surrounded by restaurants and shopping facilities, you can buy here and sell the car! This owner has made his mark on this wonderful property transforming it into your own private oasis. Deep tones in the floors with stylish features throughout make this property stand out as the best in the complex!

When you enter the property you will be impressed by the atmosphere of the property as a place of solitude and rest from the busy world outside! Set with beautiful dark bamboo flooring, this has been laid throughout the lounge, dining and kitchen area. The lounge and dining room is open plan and features new split system air conditioning and a ceiling fan. There is even a reading/dining area that provides a good division to the space.

The large renovated kitchen provides a great breakfast bar area and an abundance of cupboards throughout with a retro style light with filament bulb fitted here. The freestanding electric stove is there for you to cook up a storm and a tidy fridge cavity space that conveniently helps hide away the fridge. A stainless steel sink with stylish mixer tap has been installed as well into the large laminate benchtops.

If the lounge room is an area to relax, then the bedroom will guarantee a good night's rest with a tranquil and calm feel to the space. The bedroom is of a good size and features the same bamboo flooring from the lounge room space. Sizeable cupboards, with a hideaway TV space inside and split system air conditioning with a ceiling fan will help cool or warm the
