THE LIST JUST GOES ON AND ON...

This 4 bedroom home has everything you have been looking for. 2 of the bedrooms have built in robes and there are ceiling fans throughout. Ducted cooling, 2 gas heaters, near new kitchen with gas cooking and even 2 showers and a large bath. Outside in the fully enclosed yard is an extra large shed for all those toys. An extra-long single carport, as well as an extra off street parking space and a under cover entertainment area top the home off. But wait did I mention the Granny flat out the back with a kitchenette, 2 bedrooms, split system, small lounge and a bathroom.
