Lot 27 Mount Whitsunday Drive, Airlie Beach

Lot 27 Mount Whitsunday

A rare opportunity to acquire this Mount Whitsunday allotment one of the few available with ocean views to this standard. On 646sqm with panoramic views of the ocean and Whitsunday Islands. Mount Whitsunday is 'top of the tree' in terms of residential enclaves in the region. Blocks in the estate have sold at over a million dollars. There is a proposed racket club to be established shortly for the exclusive use of the owners in the estate. One home has already been established in the cul de sac overlooking the Port of Airlie Marina. A short walk to the Peppers Resort Restaurant and facilities a little further down the hill. The block is perfect for a 2 level home to be designed with all rooms having a view of the ocean. These allotments are tightly held, there may not be another opportunity to enter the estate at this level.
