SOLID CONSTRUCTION, VERY SPACIOUS FAMILY HOME

Extra solid three bedroom block home with a very spacious 1022m2 of land. This home is very centrally located, within walking distance to schools, shops and the beach, you could not ask for more in a family home. The home is solid block rendered construction, hardwood internal framework and hardwood trusses. They just don't build them like this anymore. All the bedrooms are well oversized, and offer built in robes. The lounge room is massive and the kitchen is very large and modern. There is heaps of room for the whole family to spread out in this lovely home. An undercover patio at the rear of the home gives a nice shady spot to sit and have a cuppa while you watch the kids play in the backyard. There is even a shed in the back yard for storage and workshop space if needed. The car will be secure in the lockup garage attached the residence and has internal access into the home.
