UNDENIABLE CHARM

If you want a property that is out of the ordinary, then this may be what you are looking for!

Upon entering the grounds you will appreciate the polished concrete driveway that leads to the tropical thatch style double carport to the left, with this tropical theme present throughout the grounds. A scattering of imported statues, a Coy pond set among lush vegetation, plus raised gazebo to the rear, will reinforce you on what the landscaper, set out to achieve!

Perched on the rise of the road with views from the rear, the brick and tile character home built circa 1965, boasts cedar & wood lined eaves, wide skirting boards, fancy cornices and original timber floor boards, plus a wood fire too.
