It's got everybody talking - Worth the wait

People from all around Brisbane have come to check out this wonderful display home we have on offer! The home is set up for luxury acreage living. It has not compromised in going all-out on space and comfort and takes full advantage of the large acreage block. No wonder it has people talking.

With its street appeal, you would be thoroughly impressed. The home has 4 double bedrooms and a large study room. The master bedroom has its own walk-behind wardrobe and the most amazing ensuite I have seen. This master bedroom is set to one side of the ranch style home, which is next to the study, and the other 3 bedrooms are located down the other side of the home.

In the centre of the home, you have all your living area, stylish kitchen with breakfast bar, large 5-burner gas stove, butler's pantry, all
